NEWS

AUGUST 2018

MESSAGE FROM THE CEO

Dear Members,

Welcome to the 2018/19 Financial Year. A marker that reminds most of us of just how quickly the year is passing and gives me the feeling getting older goes a lot faster than it used to.

I am happy to report that the last financial year had a positive finish and we were once again able to get some major works done in the club. One of which is the Pioneers' Room which has had a major renovation thanks to our new APC members and I am sure you will all enjoy the new ambience it has brought to the Club.

Speaking of major works, you will have noticed that there is a variety of construction works going on all around the Circular Quay vicinity which sometimes makes access to the club via the garage a bit more challenging than usual, we are doing our best to work with council and contractors to keep you informed of any difficulties with road closures etc.

We are still in our 115th Anniversary year which we celebrated in March of this year and in saying this I think the most important thing you can do to make sure the Club can keep on celebrating milestones like this, is to support the club by referring new members.

Each and every member was at some point invited to be part of our wonderful institution, we urge you to think of how much enjoyment you have gained from your Club, and as such how much another might gain from a referral by you.

RACA has its own unique charm by which we have all been attracted to at some stage - we ask you to share this charm and ambience with those you might think could use their very own private escape.

There are many ways your Club promotes a sense of belonging:

- A Sense of Tradition Long Forgotten
- The Haven of Privacy
- The Appreciation of Style
- The Pride of Heritage

Membership regeneration is critical to the Club's continued success, so to propose a new member means that you are making a vital contribution to the longevity and prosperity of your Club's future.

If you believe that you have a suitable candidate, be it a friend, colleague or family member, who would benefit from an association with The Royal Automobile Club of Australia and equally important, enrich your Club's membership base, please contact myself or Rafael Ruiz, the Club's Membership and Marketing Manager.

There are many categories of membership, including Town, Country, Interstate, Defence, Corporate. In addition, the Club can offer temporary Membership to those candidates who may not have the prerequisite support for full membership.

What perfect reason or opportune time than the Club's 115th year for nominating a new member. Your Club will be all the better for it! Your participation and support are always appreciated.

The RACA Team and I look forward to welcoming you to the Club soon.

Markus Friedler
CEO/Secretary Manager

LADIES COMMITTEE

Tina Hyman was the guest speaker at the June Ladies Committee Luncheon held on the 25 June 2018.

Tina told the 54 members and their guests about her jewellery line which she has been designing, making and marketing for over 30 years. All those present enjoyed her story but the availability of being able to purchase her designs made the day special.

The Ladies Committee did appreciate the kind support of President Michael Callanan and Board Members Mrs Megan Lavender and Mr Jim Warren who were also in attendance on the day.

The Ladies Luncheon to be held on Monday 27 August 2018, will have as its guest speaker Nerida Campbell, curator of the Justice and Police Museum - part of the Sydney Living Museum. Nerida will talk about her work which focuses on criminality law and order, regional police stations and bush ranging. I do hope that you are able to attend.

A special thank you to the members of the Club who attended the special meeting to endorse my nomination as a Life Member of the Club.

Regards,

CORKS 'N' FORKS

By any measure our Bastille Dinner was a great success. The ISC Room resembled a Parisienne bistro with themed table decorations, lighting and music, and the 36 of us who were there had a wonderful time. The bespoke menu specially prepared by the Club's Executive Chef and his team and the matching wines were exemplary, as was the service provided by the Club's floor team.

Highlights included our Q&A session with the Chef, the wine options game won by Graham Spurway, and the best dressed prizes awarded to Qi Shen and Roger Butler.

Our next event for the year is a tasting/tour in the seated comfort of the Vintage Room at 6pm on Thursday 23 August, and on this occasion we've decided to do something a little different and have what we're calling a 'Bring a Bottle Night'.

There'll still be 12 wines to taste with 3 matching food courses; however what will be different is that the 12 wines will (hopefully) be donated by Club members. We have in mind wines at least 5 years' old, which will be served 'blind' in 3 flights each of 4 wines - 1 flight of whites and 2 flights of reds. Steve Blandford, the Club's popular and very knowledgeable wine consultant will be there to guide us through the vinous maze and help us to discuss and identify each of the wines.

So if you've got a couple of older wines in your cellar that you'd like to share with your 'mates', then I'd like to hear from you. You can contact me on 0411 103 119 or mogigi.grj@bigpond.com

As to pricing, the usual price for our tasting/tours is \$90 per person. However given there'll be no cost to the Club for the wines, the cost per head for our 'Bring a Bottle Night' will be \$80.

To make a booking please contact the Events Team on 8273 2320 or eventsadmin@raca.com.au

WINE OF THE MONTH HANCOCK & HANCOCK

FIANO 2017

Lifted aromas of nectarine and citrus scents, loads of texture and mouth feel fermented in old oak with reasonable solids, blended soon after ferment fined and half cold before filtering to bottle dry, fresh, and savoury. Age to 3-5 years.

SHIRAZ GRENACHE 2015

Restrained and supple, lots of ripe dark plum, pepper and spice of Shiraz with the rose petal perfume lift and red cherry taste of Grenache. Lovely lightness and brightness to the back palate makes it terrific immediate drinking but will cellar nicely for 5-10 years.
